Minnesota Pollution Control Agency Rules, parts 7045.0100 - 7045.1260 and  
parts 7001.0010 - 7001.0730.

National Electric, Incorporated  
21700 Hamburg Avenue  
Lakeville, Minnesota 55044  
(hereinafter the Permittee)

authorized by the Minnesota Pollution Control Agency, hereinafter the MPCA,  
to operate National Electric Storage and Transfer Facility located in Section 33,  
14W, R20W, City of Lakeville, Dakota County, Minnesota under the limitations  
and conditions set forth herein.

This permit shall become effective on the date of issuance by the Director.

This permit is valid for five (5) years from the date issued, or until terminated,  
revoked, or amended by the MPCA. To obtain a new permit, the Permittee shall  
request that the MPCA review and reissue the permit. To allow for adequate MPCA  
review time and avoid possible termination of the permit at the time the permit  
expires, an application for reissuance of the permit must be submitted no later  
than 180 calendar days prior to the expiration date of this permit.
